Volume 1, Issue 2

April 2009

First NRCHA show was a big one!!

A big thanks to everyone who came!! You are helping make this association a HUGE success! We paid out \$4,900 in the horse show classes! Results are posted on the ORCHA website. We've also included a link to the NRCHA regional standings so you can check out where you rank!

A members meeting was scheduled but was canceled due to the late evening. The topics that were to be addressed are listed below. If you have any input, please feel free to contact any of the board members.

OVRHA Sand – We were able to “rent” the sand from OVRHA. Cost is \$600/show and includes renting the Kiser drag. We felt it was fair to raise stall and jump out fees by \$5 to cover this additional cost so everyone shares the expense.

AQHA classes – we are trying to add AQHA classes. We will definitely have them in place by the November show. The delay is due to lack of funds. AQHA approval is \$100 (no big deal) BUT you also have to hire an AQHA show manager. We simply do not have the extra cash at this time to put this in place.

Horse show help

If you are interested in helping – please contact Carrie McBride 61-519-2809

We need: Scribes, gate workers and NRCHA reps. We are going to hire out help for the cattle pens. We have some dates covered but if you or someone you know wants to work the cow pens for cash, have them contact Carrie.

Green Buckle Program – buckles

If you get a chance – check out the buckles on www.lonestarsilversmith.com and let us know what you think. We need to start selecting a buckle as our first Green Graduate should happen later this year! Input is appreciated!

We need more pictures for the website – email to info@ohiorcha.com

Horses For Sale/Wanted

Finished Cow Horse for sale

Located in PA. 1999 talented, Tobiano gelding. "Patch" is a very willing, sound horse that has been very successful in both reining and reined cow horse. He has been shown, most recently, in reining and has earned \$2810 along other accomplishments such as finishing 3rd in the limited non-pro Affiliate Finals in 2004 as well as placing 5th in the NRHA standings for Limited Non-pro in 2004. He is still novice horse eligible and would make someone a wonderful rookie or non-pro horse. Not only can Patch rein, but he has been extremely successful in the NRCHA. He was originally trained as a working cow horse and was very successful there where he had earnings of \$9685 before he was taken to the reining pen. He took fourth place in 2002 in the NRCHA Limited Open Snaffle Bit Futurity. I took him to a ranch versatility class this summer and he took 1st place in the green rider class. Patch is a strong, beautiful paint with a great temperament. He is easy to keep, can be turned out with other horses, clips and loads easily. Contact Kim Robinson 814-590-6119
