

***Sponsor the ORCHA!
2009 NRCHA Affiliate of the Year!!***

The Ohio Reined Cow Horse Association is off to a strong start! Our last show was the **largest cow horse dedicated weekend show east of the Mississippi in 2009!** We draw competitors from Ohio, Michigan, Indiana, Kentucky, West Virginia, Tennessee, Virginia, New York and even Louisiana!

Founded in 2008, The Ohio Reined Cow Horse Association is a proud affiliate of the National Reined Cow Horse Association. The ORCHA is run by a volunteer Board of Directors. Our shows run mostly on volunteer help. (We say "mostly" because no one ever *volunteers* to work the cow pens!) Sponsorship dollars go to Added Money for shows, special prizes for shows, random draw prizes, Green Program Buckles and Year End awards.

More About the ORCHA

Big payouts for weekend events

The Ohio Reined Cow Horse Association paid out \$38,195 in the 6 weekend events held in 2009, including the Heartbreak Ridge Performance Horses Derby - Paying out over \$9,500 in cash and prizes. Awards included CR Morrison Bronze and Plaques and Tom Balding Snaffles!

The future is strong

We have a plan to have BIG shows. Our Venue, Henderson's Arena, has a huge 150 x 300 indoor pen with amazing footing and bleachers for our fans. The facility also features a covered warm up pen, several outdoor pens and 266 stalls. We have plenty of room to grow! We are planning on holding a Bridle Spectacular in 2010 and increase the Added Money to our annual derby.

Strong plan in place to GROW the sport!

Don't forget the new competitors! They are our future! We have a plan to bring in new competitors and grow the association and the sport. Our green program has 75 participants and we launched our Youth Group in June 2010. We also feature lower priced affiliate classes to mirror the NRCHA classes so competitors can try it out, SUCCEED, and get comfortable before stepping up to NRCHA competition. We also offer "continuing Education" in the form of clinics!

Come join us in the fun!
