National Reined Cow Horse Youth Association News

NRCHA Youth Stymie Adults with Trivia at Hackamore Classic

To raise money for the National Reined Cow Horse Youth Association, NRCHA Youth members at the NRCHA Hackamore Classic sold trivia forms with some very tough questions. The Youth worked very hard to get everyone to give them a try. "Everyone had a great time trying to find all the answers. It was a great social event for all the participants," noted Kathie Ferrante, who helped her daughter Kimmy pass out the trivia trivia. "There were many discussions and a lot of Google searches on the phone."

The Youth also had a 50/50 cash drawing. Idaho trainer Dan Roeser won the drawing, and donated his winnings back to the Youth Association. The NRCHYA raised nearly \$300 during the 3-day event.

The difficult trivia questions, and the answers, can be found at the bottom of

The Ohio Reined Cow Horse Association Introduces Moo-ving On Up Buckle Program

Program offers incentive for competitors to enter NRCHA-sanctioned classes!

The NRCHA's 2009 Affiliate of the Year, the Ohio Reined Cow Horse Association, has started the "Moo-ving On Up" buckle program to encourage members to move from affiliate classes to NRCHA-sanctioned classes.

As suggested by ORCHA member Dale DePriest, any rider that is a member of the ORCHA who has not earned any NRCHA money prior to November 16, 2009 is eligible for this year-end high point award.

ORCHA will track points within specific NRCHA classes. Riders are currently awarded points based on their placing in a class. These points will also be tracked within the "Moo-ving On Up" program and a high point will be awarded at the end of the year. Classes include the \$5k Non Pro Limited, Novice Non Pro Bridle and Limited Open Bridle.

The ORCHA is scheduled to have six shows for 2010 and will include a Bridle Spectacular for the May 21-23 show, which has \$1,500 added. Also added to the schedule for 2010 will be American Quarter Horse Association cutting and cow horse classes at the June and July shows. Each weekend's activities will include Friday night herd work with NRCHA-sanction shows on Saturday and Sunday.

The 2010 show season will once again culminate with the Heartbreak Ridge Performance Horses Derby, newly added ORCHA Futurity and Stallion Stakes, and a clinic by renowned trainer and only woman to win the Snaffle Bit Futurity, Sandy Collier, October 29-November 1.

Also new for 2010, is the ORCHA Stallion Auction, purchase a breeding at reduced cost and the resulting foal will be eligible for the ORCHA Stakes program. 100% of auction proceeds will go to the Stakes fund. Bids start at 50% of the stallion's advertised fee.
